2015 Property Tax Rates for City of Gorman

This notice concerns 2015 property tax rates for City of Gorman. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's *effective* tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's *rollback* tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Preceding year's tax rate: 0.951079 per \$100

Effective tax rate: 0.928418 per \$100

Rollback tax rate: 1.002692 per \$100
