

Bridge maintenance to require I-20 and SH 112 Lane Closures

May 21, 2026

EASTLAND – Beginning Tuesday, May 26, TxDOT’s contractor, Built Right Construction of Oklahoma, will perform bridge maintenance on the I-20 overpass at FM 570/SH 112. Construction will require the following lane closures on Tuesday and Wednesday, May 26-27:

- Eastbound travel (outer) lane of I-20, from mile marker 343 to 344
- Northbound inside lane of SH 112

Motorists are encouraged to drive with care when traveling in this location. Please obey all warning signs, avoid distractions, and watch for crews and equipment entering and exiting the work zone.

Media inquiries may be directed to TxDOT Brownwood District’s public information officer at lisa.tipton@txdot.gov or (325)643-0413.

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road and for supporting aviation, maritime, rail and public transportation across the state.
